From the KidSport team

Welcome to KidSport!

Sport and active recreation helps you step up and gives you confidence to become part of a team, make friends and kick goals. Sport is great practice for life on and off the playing field. Sport is not a luxury. It builds stronger, healthier, happier and safer communities and should be part of every child's life regardless of their circumstances, ability or where they come from.

Being part of KidSport is important because active children are more likely to be active adults. Sport and recreation is fun, but just as importantly, participation gives your child a better chance of doing well at school, improves coordination and balance, helps them sleep better, improves social and life skills and creates a greater sense of wellbeing. When kids play sport, the whole community wins.

WHAT IS KIDSPORT?

KidSport enables eligible Western Australian children aged 5–18 years to participate in community sport and recreation by offering them financial assistance towards club fees.

Who are KidSport Financial Assessors?

KidSport Financial Assessors are professional employees at agencies who provide support services for families. They will assess a family's financial situation against the KidSport Financial Exceptions and submit a KidSport application on their behalf. The Department will review and assess the application.

KidSport Financial Exceptions

- 1 Sudden loss of employment and subsequent income from the main income earner of the family. This does not include voluntary unemployment or circumstances where a redundancy payment has been received.
- 2 Death or serious illness of a parent/guardian causing significant impact on the household income.
- 3 Fire, flood or other natural disaster causing significant impact on the household's financial situation.
- 4 Situations when the child has been placed into care (of the State, foster or extended family) and the relevant concession cards are unavailable.

Contact KidSport to find your nearest KidSport Financial Assessor to discuss your situation.
